**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support broadband competition. Because of competition I have lower rates and I can deal with a company that treats me like a person, not a piece of meat. JMy provider is a medium sized business. Broadband competition supports small and medium sized business growth.

I say no to price hikes that will increase the cost of the Internet and telephone services. I am a direct example of this
